

GLOBE SIGHTS.
(From the Atchison Globe.)

A "Quilt Roasting Your Friends" society has been organized in Atchison.

The old isn't let entirely out of the Christmas balloons until the New Year's balls begin to come in.

Mark of you, in exchanging Christmas presents, will but that you are entitled to boot.

There never was a woman's contribution to work hard that could rival stopping to sell presents or look at a love story.

A woman should build upon a church marriage, for she then has the satisfaction of knowing that once in her life she got her husband to go to church.

You can do anything in the world without grammar except teach school. No one requires as many Christmas presents as the teacher. Her importance increases.

An Atchison girl grumbles to her parents continually because her hair isn't naturally curly.

You talk a great deal about the importance of Truth. Do you know the truth about yourself?

When an old pastor resigns and a new one presents his talents second, the attendance is always large.

When a man stays up late those nights, he tries the excuse on his wife that he was kidnapped and got away.

"The man who thinks he can do it all," says the Manayunk Philosopher, "generally never tries to do any of it."

We have noticed that kidnappers never carry off a married man; probably they realize that an one would give a quarter to have a married man brought back.

PAID DEAR FOR HIS LEG.

H. D. Blanton, of Thackerville, Tex., in two years paid over \$3000.00 in doctor to cure a running sore on his leg. Then they wanted to cut it off, but he saved it with one box of Buck's Arctic salve. Guaranteed cure for piles. It costs a box. Sold by C. R. Bentz, druggist.

"Badly Crippled."

Rheumatism at its worst is a sort of living death. It chains a man in a chair or binds him to a bed, and strips out to him a daily martyrdom. At the best rheumatism is a painful malady, inflicting alike with pleasure and pain.

To cure rheumatism it is necessary to eliminate from the blood the acid poisons which are the cause of the disease. This is effectually done by the use of Dr. Pearce's Golden Medical Discovery. It expels out of the blood the corrupt and poisonous accumulations which breed and feed disease. It increases the activity of the blood-making glands and sends an increased supply of Red corpuscles into the veins and gives an absorption every square inch of the body.

It has been declared several physicians and dentists, as well as laymen, that Pearce's Golden Medical Discovery cures every known disease and none of them goes so far as the "Maze of Death" does not yield. The pains of my back, knee and legs lead me to trust in no remedy, medical, electrical, magnetic, or otherwise, except the Pearce's Golden Medical Discovery, and the right of the United Medical Discovery, and the right of Politics, and bodies are health is good after suffering twelve years with rheumatism.

Doctor Pearce's Pleasant Pilllets are powerful aids to the cleansing of the sluggish system. By all dealers in medicine.

QUAKER REFLECTIONS.

From the Philadelphia Recorder.

How should we wish to die? —

It's only natural for a dying man to reflect.

This may be got rid of, provided he may say:

The man who owns a soul will have the best of the race.
